

Dear Ladies and Gentlemen,
Dear members of Ordo socialis,

June 2011

half a year is gone again – it's time for news of Ordo socialis !

In the meantime we have succeeded in finding a **new treasurer**. **Dr. Philipp Mohr**, department chief of the Commerzbank AG, has accepted this function. At the last meeting of the Executive Committee on 21st June he was co-opted as new member of this committee. After his election by the members' meeting he will officially take charge of his office. **Dr. Thomas Köster**, up to the end of this year chief secretary general of the Chamber of Handicraft at Düsseldorf, is also prepared to apply for the Executive Committee.

This year the meeting of the members will take place on 29th November 2011 at 5 p.m. in Schloss Eichholz, Centre of Education of the Konrad-Adenauer-Fondation. After the meeting **Msgr. Prof. Dr. Peter Schallenberg**, the new director of the Centre of Social Sciences at Mönchengladbach and holder of the professorial chair for moral theology and ethics at the Theological Faculty Paderborn, will take the floor **at 6.30 p.m. in a public event dealing with the subject "Who is God and what do we do if He exists"?** Guests are welcome.

In order to make known Ordo socialis to a broad public, an **article on OS** was published in the **Missio-Journals** "Yours sincerely" and "Sincèrement Votre" no. 86/2011. We also are looking for cooperation **with Adveniat** as well as with **UNIAPAC**. First fruitful talks have already taken place.

For the moment we are seeking competent candidates for the **Scientific Council** from East Europe, East Asia and Latin America.

The publications offered by Ordo socialis shall become more international. This end in view we have decided to publish via internet **voluminous translations in English, French, Spanish and Portuguese**. For the realization of this ambitious project we are dependent upon donations.
